DESIGN INSPIRED BY NATURE

- **UNIQUE** AND ORIGINAL DESIGN
- **WATER RESISTANT** FURNITURE
- **SUPERB 7-LAYER VARNISH**
- **TOP QUALITY** SURFACE FINISHES

The design of our elegant **WAVE** model is inspired by nature and can be used for front surfaces, lining and accessories, including wardrobe doors. Our designers created it with the idea of incorporating a **water element in the form of minimalist waves** that will bring harmony and a touch of nature to every home.
